## Lindsay Stevenson

Lindsay is the VP of Tax & Finance at 1st Financial Bank USA and the Founder and CEO of Origin Evolution LLC. Over the last 15 years, Lindsay has worked as an auditor and tax expert in public accounting as well as diving into tax and finance in an industry setting. Through Origin Evolution, she strives to help leaders uncover their organizational purpose and create cultures, strategies and client delivery methods that align with that purpose. In addition to her technical skills, Lindsay is involved in a number of committees at the AICPA, Arizona Society of CPAs and South Dakota CPA Society and joined the AICPA General Council in 2018.

Lindsay was recognized as one of the Most Powerful Women in Accounting by AICPA and CPA Practice Advisor in 2018 and one of CPA Advisors' 40 Under 40 in 2017 and 2018. She also received the AICPA Outstanding Young CPA Award in 2017. She is currently the Chair of the AICPA Young Members Leadership Committee and President of the Board at Mary J. Treglia Community House.

Lindsay is passionate about finding purpose and leveraging it to positively impact the innovation and success of organizations and the profession at large. She enjoys sharing her knowledge on influence, motherhood, leadership and self-awareness with others by speaking and writing for the AICPA, State Societies and other organizations. As a mother of 3 boys and a lover of mystery novels, there is never a dull moment! She graduated from Gonzaga University with a BA in Accounting and is still a die-hard Zags basketball fan!
