### Happy Hour!

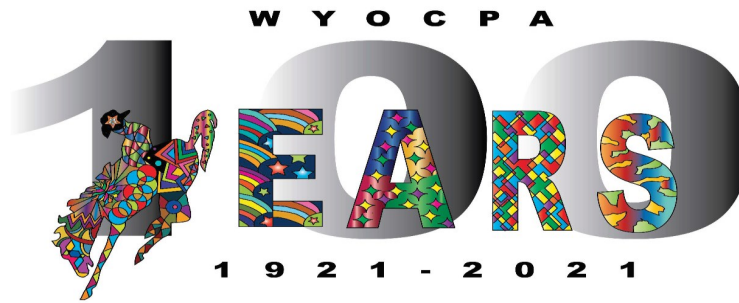

WYOCPA members have a lot to be happy about so join us in lifting a glass of your favorite beverage. This is a great opportunity to sample that new beer we've been talking about!

### Dinner and Entertainment

A western themed dinner will be a great opportunity to sit down and chat with some CPAs you might not have seen in awhile. Good food and good company are a good match!

The WYOCPA has invited Mike Kassel , a local Cheyenne historian to give us some perspective on what it was like to live in Wyoming in 1921.
